* P.E.O. (Philanthropic Educational Organization) is celebrating 150 years of women helping women reach for the stars. Since its inception in 1869, the nonprofit organization has helped more than 105,000 women pursue educational goals by providing more than \$321 million in grants, scholarships, awards and loans and the stewardship of Cottey College. P.E.O. membership is more than a half million women in the United States and Canada who are passionate about helping women advance through education, while supporting and motivating them. Locally, two \$500 scholarships are awarded to high school seniors in both Pinedale and Big Piney, totaling \$2,000 annually. Additionally, three Pinedale High School girls have received Star Scholarships of \$2500 each from the international organization to further their education.
