

# Summer Reading Challenge

This year students in grades 6-12 can "punch" their way to fun and be reading this summer. Punches can be earned from reading and activities that help build a Better World right here in their community.

Turn in a card in any month to earn an invitation to our **Teen Meals**. Punch cards will be available at the library.

Every finished punch card is also an entry to our **Grand Prize** drawing: a cool new High-tech backpack and school supplies for the winning student.

Starting June 1 students can register online and sign up to attend the programs at [www.sublettecountylibrary.org](http://www.sublettecountylibrary.org)
