

Summer Reading Program 2018

Runs June 12th to Aug 1

Grand Prizes will be announced Aug 8th

Teen Summer Scratch Ticket Challenge

Make the most out of summer by participating in our Summer Reading Scratch Ticket Challenge.

You could win every day just for checking out titles from the library!

How does it work? If you're in 6th to 12th grade, once a day, when you've read and check in any title from the Sublette County Library in Pinedale, you'll get a scratch off ticket. There is no need to sign up.

What kinds of prizes can I win? You could be an instant winner! Instant winners can choose from our prize box of fun treats and trinkets. If you're not an instant winner, fill out your information on the front of the ticket and enter to win your choice of the Summer Reading grand prizes.

What if I'm not able to get to the library this summer? You can still get tickets! Use the online form found on our website www.sublettecountylibrary.org in our Summer Reading section and submit a short written review for a title you've checked out from our library and read or listened to this summer. Once we've received your review, we'll pull the next scratch ticket from the pile for you.

We'll keep any prizes won safe until each winner can come in and pick them up.

Are there any limits to the challenge?

In order to give everyone a fair chance, the following rules apply:

You must check items out from our library or Big Piney Library to get a ticket.

You can only get one scratch ticket per day. If you want more chances, read a lot, and visit the library as often as you can!

Register online and you'll get emails to other fun teen events this summer! www.sublettecountylibrary.org

Join us this summer for some fun programs sponsored by the Sublette County Library.

Hula in the Park!

Tuesday, June 12th @5 pm

We'll kick off Summer Reading at the American Legion Park* with the Happy Hula Polynesian Dance Group from Provo, Utah performing upbeat dances from the Cook Islands, Hawaii, Fiji, Samoa and Tahiti. Audience members will be invited on stage!

Geology Rocks!

Tuesday, June 19th @2 pm

Geologist Dottie Bentley and science teacher Elaine Crumpley, present an exploration of Sublette County rocks and fossils followed by rock painting in the library's Lovatt Room. Bring a rock or paint ours. We'll provide painting supplies.

DAZZLE DOGZZ

**Tuesday,
July 3rd @3 pm**

Meet at the American Legion Park* to check out the tricks of high flying, frisbee catching, dancing dogs from Dazzle Dogzz. Adding in the mix will be sports activities played with the dogs and audience participation!
